

# Leach Pottery Restoration Project

## Lead Potter

SALARY NEGOTIABLE

37 hours per week (21 hours supervisory, remaining 16 hours for own work).

Are you an established potter with a reputation for excellence? Are you motivated, flexible, and keen to pass your skills on to others?

the project is supported by:

The Leach Pottery in St Ives is currently undergoing a major capital development and is seeking a Lead Potter for the day-to-day management of the revitalised pottery workshops. Working as part of a small team, you will be responsible for supporting the professional development of emerging potters and post-graduate students based at the Pottery, in partnership with University College Falmouth.

As Lead Potter, you will also be expected, and encouraged, to make and sell your own work. This is a three year contract, with the possibility of extension based on performance.

For details and an application form, please contact The Leach Pottery Restoration Project, PO Box 132, St Ives, Cornwall TR26 1WY Or, for an informal discussion, please call Tamsin Daniel, Leach Pottery Restoration Project Co-ordinator on (01736) 336818

Closing Date 9th February
